Dear Sir:

I have your letter of December 29th.

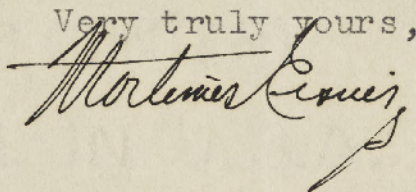

The \$100 settlement covers the payment of all that is involved in the controversy except my fees. It will dispose of the case and through it a release will be executed and delivered which will release the Negro National League, you and the other individuals from any further claim by reason of this suit or the premium in connection therewith.

I trust this is satisfactory.

Enclosed you will find my bill to cover services rendered.

B

Very truly yours,
